SAN SABA, TEXAS

Homeseekers are numerous in
McCulloch county.—Ex.

The State apportionment for the
coming year is \$4.50 per capita.

Crops of Llano county are very
good. Corn made, and cotton doing
well.—Ex.

The Pecan Valley Fair will be
held at Brownwood, commencing
Sept. 28th, and closing Oct. 3rd
1891.

When R. Q. Mills gets through
up north, and opens up in Texas,
we may expect lively times for the
man who gets in his way.

The Alliance of Kentucky, started
out to raise \$2000 with which
to carry the state. The last we
heard, they had raised \$930.

Our county is in a flourishing
condition, farmers are happy and
every thing is flourishing. Lands
improved, and unimproved cheap.

The Ft Worth and Rio Grand is
completed to Brownwood; and will
no doubt shove on further West.
San Saba may have a chance yet.

San Angelo is expecting 80 fam-
ilies from the North Western
states to come and settle in and
about the town some time this fall.
—Ex. Expectations is one of the
charms of life.

There is serious objections, in
various part of our union against
convict labor. The laboring men
are determined and resolute in
their protest. They are no doubt
justified in their actions.

Attorney Gen. Culberson has
filed suit in Jeff Davis county
against the Galveston, Harrisburg
and San Antonio railroad, for 36,
000 acres of land and \$17,000 rent
and damages; also against Texas
and Pacific for 700,000 acres and
\$50,000 rent and damages.

DUNCAN, Arizona, July 13, '91.
Mr. M. B. Dabbs, Valley Spring,
Llano county, Texas.

Dear Sir:—On the 4th instant, a
young man was hurt here and died
today. His name is Andrew Riley,
and I think his relatives live some-
where in Mason county. He has
been in this country seven or eight
years. He got hurt at a roping
match, his horse being jerked down
upon him. He never regained con-
sciousness.

I hope you will do all in your
power to inform his people of the
sad news. Your friend,
JAMES R. NICES.

The San Saba News says it is
pretty well understood that Gov.
Hogg will call an extra session.
Whence did it get its informa-
tion? It is pretty well understood
that the only man in Texas, who
knows any thing about an extra
session is Governor Hogg, and it is
thought that he does not know it
very much.—S. A. Express.

Is the Express so far behind?
It is better understood now, that
the Gov. will call the extra session
this fall. We get our information
by listening to the voice of our
leading daily papers. We might
add that the Gov. seems to know
his business pretty well, and evi-
dently shows his wisdom by keep-
ing his own council.

It becomes the democrats to
work together, and by so doing
elect a democratic president. We
will then have a purely democratic
reign, the effects of which we
will certainly feel and appreciate
When Cleveland was president he
could virtually accomplish but lit-
tle, as he was surrounded by a re-
publican congress, now if we elect
a democratic president we will have
them grabbed. While we favor the
election of Cleveland, we are
strictly for the man that
gets the democratic nomination.
We lay aside all our private
political opinions, such as free coinage
subtreasury, third party etc., etc.,
and simply work for a democratic
president, and when we get that
then we will bring in our private
request, and individual political
opinions. The democratic party
of the United States can not afford
to split up, fly off at tangents, be-
cause of some minor issue. If
they would be successful they must
work together. The main
thing is to elect a democratic pres-
ident then come in for the spoil
afterwards. Let us not fall out
about our share of the spoils until
the battle is fought and the victory
won, because if we quarrel about
the spoils first we will never win
the victory.

loch County.

Middleton as a delegate from In-
dian Creek.

Reading minutes of last meet-
ing was the next order of business
and motion carried to approve the
minutes.

Motion carried to adjourn to 4-
30 P. M.

At 5 o'clock P. M., the W. T. D.
A. was called to order and pro-
ceeded to business. Motion car-
ried to receive the requests pre-
sented by Brown County Alliance,
through Bro. A. D. Tyler, in re-
gard to handling and marketing
our cotton this season at Brown-
wood. Bros. Tyler, Bettes and
Allen explained the Brown county
request and on motion they were
adopted.

Motion carried that the presi-
dent appoint a committee of four
to formulate a plan of action for the
Dist. executive committee to be
guided by Bros. Bettes, Rudder,
Smith and Varga, were the com-
mittee appointed.

On motion Bros. Buzbee and
Allen were added to the commit-

H. S. Cottle, " "

Motion carried to receive the re-
port of the committee appointed
to formulate a plan to govern the
Dist. executive committee in han-
dling and marketing cotton, and
they reported as follows to the
president of the W. T. D. A.:

We, your committee appointed to
draft some plan of action for the
government of the Dist. execu-
tive committee in the cotton busi-
ness this season, beg leave to sub-
mit the following:

1. We would like to have a cot-
ton yard established, if the ex-
ecutive committee can make satis-
factory arrangements with the
Board of Trade at Brownwood for
its establishment. If they can not,
then do as their best judgment
may dictate.
2. We would like as much com-
petition in buying as possible and
justice in weights.
3. We do not favor the establish-
ment of sale days for cotton, in
view of the fact that we have a
committee to attend to this cotton
business. We do not think it
practicable to load and handicap
the committee with instructions
that they might not be able to suc-
cessfully carry out, and thus be
deprived of the privilege of inaugu-
rating any other plans.

We want the Ex. Committee to
do the very best they can and we
recommend to the brotherhood to
stand firmly by them. Signed,
R. B. Allen.
J. R. Bettes.
R. B. Smith.
H. H. Buzbee.
R. P. Rudder.
Paul Varga.

Under the head of new business
Bro. R. B. Allen presented a propo-
sition from the editor of the
Brownwood Bulletin, offering the
W. T. D. A. one page in their pa-
per; which on motion was unani-
mously accepted, and Bro. R. B.
Allen placed the same in the Bu-
letin; Sim Whitted, Bowser
Bend, for San Saba county; W. G.
S. Hughes, Cow Boy, for McCul-
loch county; J. M. Hetherly, Te-
comsy, for Mason county.

Motion carried asking the Dist.
Sec. to notify the president of the
Brownwood Board of Trade, im-
mediately, that the Dist. Alliance
had instructed its Ex. committee
to meet with them at an early date
to lay before them some plan of
mutual co-operation for the han-
dling and marketing of cotton the
coming season.

Motion carried instructing the
Ex. committee, after they get their
plans for handling cotton perfect-
ed, to send a copy to each sub-al-
liance in the Dist.

Motion carried requesting each
sub-alliance to report to the
chairman of the Ex. Committee
how much patronage they might
expect.
